Term 4 Week 8

25th November 2013

Student of the Week

Dajarn Weatherall

Dajarn displays a lot of confidence and he is always ready to listen and learn. Dajarn gives 100% every day and is very proud when he achieves.

Dajarn's manners and the way he speaks to his friends and the teachers makes him an outstanding school citizen. He is polite and ready to help whoever and because of this everyone has a very high opinion of him.

Dajarn has made a name for himself at Newling as a 'polite, well-mannered ready to learn boy'.

PRINCIPAL'S MESSAGE

P and C Bunnings BBQ

The P and C helpers braved the rainy weather and were successful in raising funds from the sale of over 200 hundred sausage sandwiches at Bunnings BBQ on Saturday.

We thank the many parents and teachers who gave up some of their time for the benefit of our children.

It was wonderful for our students to see parents involved in school activities and showing their support for school. It is no surprise that much research says that students that are most successful at school are those with parents directly involved with the school and who are visibly supporting education. Involvement in the P and C is an enjoyable way to show such support.

Swim School

Swim School begins next Monday. Reminder that all payments need to be made before any child can commence lessons. Please make payment at the school office before Wednesday this week so that numbers can be confirmed with swim school instructors and supervision arranged for those not participating.

Christmas Hamper

Donations of non-perishable items for the hamper can be left at the school office up until the raffle is drawn. Each family will be supplied with a book of raffle tickets this week to sell for the hampers.

Thank you to those families who have already donated to the P and C Hamper for the Christmas raffle.

School Captains 2014

This week we will be electing our school leaders for 2014 from the current Year 5 students. All students are eligible to vote for the next year's school captains. The announcement of 2014 leaders will be made on presentation day.

Lost Property

We again have a large amount of lost property accumulating at the office. There are jumpers, lunch boxes and drink bottles all with no names on them ready to be picked up by the rightful owner. If you are missing any items please come in and collect them.

Having the child's name on all items makes life easier for all and allows items to be returned immediately.

Presentation Day, Fete and Gala Night

Plans are well underway for presentation day, the annual Fete and students are rehearsing roles in school play for Gala Night.

The end of the school year is always very busy Lessons continue right up to presentation day on the 17th December and student attendance during this time is, as always, expected each day.

Office Payments

Anyone who makes payment at the office will receive a printed receipt as proof of payment. If children pay at office or gives money to teacher, the receipt will be sent home with the child.

When paying if you could have the exact money it would be much appreciated as the office does not hold cash to be given as change and on some occasions may not be able to give change immediately.

Music Lessons in 2014

In 2014 students will be able to receive guitar lessons at the school by professional tutors. An expression of interest will be sent home separately this week so we can organise tutors for next year.

Star Awards

"You're a Star Award" certificates were presented to a successful students who have been using the You Can Do It keys to success and demonstrating persistence, resilience, organisation, getting along and confidence.

Congratulations to our recipients: Eli Robb, Elizabeth Wright, Gage Marr and Logan Dalli.
