Term 4 Week 7

16th November 2015

Student of the Week

Jessica

Jessica is a diligent and focused Year 5 student who consistently does her best. She is a team player who enjoys touch football and always plays by the rules in sport at school. She makes the most of every opportunity and has been involved in all activities outside of the classroom, including the guitar group. Jessica is to be congratulated on her achievements this year.

PRINCIPAL'S MESSAGE

Musica Viva visit

This Wednesday our students will be fortunate enough to see the Musica Viva performance from Mara. This ARIA award-winning quintet tours the globe offering a unique fusion of world music and jazz.

We are lucky to have this group visit to supplement our Music program at Newling and show our children what can be achieved if they follow a career path in Music.

Swim School

Final arrangements for this year's Swim School are still to be confirmed with the provider and the permission note with all details will be distributed as soon as possible.

Cost is \$40 for first child and family discount rate of \$30 for each additional child.

Part payments are welcomed and can be made at any time at the school office. Full payment must be received before lessons commence.

Milo T20 Cricket

The 3/4 students and Ms Norman reported that we have some talented cricketers at our school with the 3/4 class putting in a winning performance on Friday.

The girls told me this morning about their victories and they must have played exceptionally, as they won every match on the day. Congratulations to all the 3/4 students who played at the event.

Bunnings BBQ Fundraiser

The P and C are still seeking volunteers to assist at the Bunnings BBQ fundraising on Sunday 22nd November.

Please return the form in Newsletter or call indicating suitable time to the office as soon as possible. A member of the P and C will contact you to confirm your time in the week prior to BBQ.

Arriving at School

Only students who catch buses are to be at school before 9:00am. It is not in the best interest of the students who do not catch buses, to be at school for long periods of time before school starts.

Please assist us in making school as safe and mornings as practical as possible by not dropping off or allowing children to walk to arrive at school prior to 9:00am. Breakfast Club is available 4 days a week up until 9:20am so there is no need to arrive early for this service.

Your assistance is much appreciated.

Star Awards

In the past weeks "You're a Star Award" certificates have been achieved by students who are using the *You Can Do It* keys to success and demonstrating

persistence, resilience, organisation, getting along and confidence.

Congratulations to our recipients: **Declan, Jye, Jessica W and Nathan.**

Stories from the Milo Cricket Team

On Friday 3/4N went to Harris park to play Milo Cricket. My team was named the Newling All Stars. We won 4 games and lost 1 gam.

The Newling All Stars came first and at the end some people got a show bag and we all got a Milo popper.

We had a good time at Milo Cricket and it was good to see some of my friends from other schools.

By Logan

Last Friday 3/4N spent the whole day at Milo Cricket in Harris Park. My team came up with the name Panthers.

The Panthers won 3 out of 5 games, the All Stars won 4 out of 5 games and the Girl Machines won 5 out of 5 games.

We played cricket to music and all received a free milo popper to drink. It was awesome!

At the end of the day our class and students from other schools all got prizes and everybody enjoyed the day.

By Chris

On Friday 13th November 3/4N went to Harris Park to play Milo Cricket. When we got there we put up our School tent then we went to the Cricket courts.

While we were waiting on the other schools to come we did some warm up cricket practice in the nets.

When the other schools had arrived we made up our team name. My team was called the Girl machine.

We played Ben Venue first and won the game by 18 points. Makeesha hit 3 sixes in the first game. After that we went on to win four more games against other schools.

I thought the day was very cool and I was worn out on Friday night!

MILO CRICKET

Children's Book Council Australia

Last Thursday morning, in the Library, Newling students from Transition right through to Year 6 spent an enjoyable session with popular illustrator Ann James. Over the past 30 years Ann has illustrated about 70 books, some of which we have in our Library collection. We were amazed at her clever drawing skills. K-2 were entranced by her 'magic pencil' sketch of Jeremiah in transition and Years 3-6 were impressed with her swift pencil representation of Alex B. in Year 3. She also donated her sketches using mud and chocolate...complete with sprinkles. We look forward to framing and displaying Ann's work around our school.

The key to being a good artist, Ann says, is to keep on drawing. We can learn new things from mistakes. After a morning of inspiration some students were very keen to get drawing themselves!

Thank you to the Children's Book Council Australia for providing this wonderful opportunity for Newling School.
