Term 4 Week 9

30th November 2015

Student of the Week

Allen

Allen is always respectful and is a popular friend in Year 1/2. He has made pleasing progress with his school work this year due to his resilient and persistent attitude.

Allen is a very resilient student of our school who adjusts quickly to changes in our classroom routine. He embraces any challenges set by his teacher and completes every task to the best of his ability.

Congratulations to Allen!

PRINCIPAL'S MESSAGE

Final Year 6 Gathering and Transition Graduation

This Friday our Year 6 class will host their final Gathering at Newling. For many students this will be the final Gathering after 7 years of hosting and giving performances at these events.

As it is the final Gathering of 2015 we will also be having the Transition Graduation presentations. The children in the Transition class have made significant progress throughout the year and are very prepared to start school next year.

We look forward to seeing many parents and friends at our final 2015 Gathering this week.

NECOM Performance

Our students will be treated to a concert from the NECTO piano trio this Thursday. This opportunity extends our school Music program and gives our students the chance to understand all styles of music and experience a broad range of musical performances.

Swim School

Swim school starts today and the weather forecast is very favourable, with warm days expected all week. The week 1 lessons will be held at The Monckton Aquatic Centre (Town Pool) and week 2 lessons at the TAS indoor pool.

We are sure the children will gain much benefit from this swim program. This year lessons will be a full one hour in length during the second week giving our students even more opportunity to develop their confidence and skills in the water.

P and C Meeting

The final P&C meeting will be held on Monday 7th December. This is just one week before the end of year Fete and final arrangements for this event will be made. Extra help at the Fete is always needed and we invite everyone to attend.

Tea/Coffee and afternoon tea are always provided and toys are available to entertain young children.

Christmas Hamper Raffle

The Hampers are continually growing and we thank everyone who has made a donation. The donation of non-perishable items is still welcomed.

The Hamper Raffle is drawn on the Tuesday evening at the end of the Gala Concert. We ask that all tickets, sold or unsold, are sent back prior.

Disco

Next Tuesday evening we will be hosting a Year 6 Farewell Disco. Tickets will be for sale next week at recess. The cost will be \$2 for entry, and include a

drink and snack during the Disco. All money raised will go toward Year 6 gift for school.

We look forward to all students, being present to Farewell our 'Class of 2015'.

Reports

Semester 2 reports will be given to students next week. They provide a point in time summary of your child's achievement over the whole school year.

There are no formal interviews after Semester 2 reports, however we do invite conversation from all parents. Should you wish to discuss anything contained in the report, please contact the school to arrange a suitable time to meet with the class teacher.

Arriving at School

Only students who catch buses are to be at school before 9:00am. It is not in the best interest of the students who do not catch buses, to be at school for long periods of time before school starts.

Please assist us in making school mornings safe and as practical as possible by not dropping off or allowing children to walk to arrive at school prior to 9:00am.

Your assistance is much appreciated.

Star Awards

In the past weeks "You're a Star Award" certificates have been achieved by students who are using the *You Can Do It* keys to success and demonstrating persistence, resilience, organisation, getting along and confidence.

Congratulations to our recipients: **Alex, Christopher, Mitchell, Watarah and Ashleigh.**

Murray Cox
Principal
