Term 4 Week 4

31st October 2016

Student of the Week

Ricki-Lee

Ricki-Lee is a focused and valued classmate in 4/5/6. She always does her best in all Key Learning Areas.

Ricki-Lee is an exemplary role model and a deserving recipient of this award.

Congratulations to Ricki-Lee.

PRINCIPAL'S MESSAGE

Awards Gathering

This Friday the 1/2 class will host the Term 4 Awards Gathering. Deserving students will receive their bronze, silver, gold and platinum awards and badges to recognise their continued and sustained efforts and achievement at school.

Teachers nominate students and as a whole staff we discuss if the student meets all of the criteria to receive the award. We have reward systems that recognise achievement and improvement daily, the keys and star awards, merit awards at Gathering for those who excel each fortnight. The awards and badges recognise those students who are consistent and diligent daily at school for sustained periods of time.

We look forward to seeing many parents at the Gathering to help celebrate the achievements of our students.

P and C Fundraiser

Thank you to all the parents and community who supported the P and C Biscuit and Slices fundraiser. The delicious treats have been ordered and are expected to arrive this week.

Mathematics Biscuit Sale

Our 1/2 students sold out of biscuits in a short time with just about every student keen to sample the delicious and bargain priced treats. This was a wonderful learning opportunity for the class and they were tested to use the mathematical knowledge to serve the hungry masses.

Opportunities Galore

Last week we all enjoyed the Deadly Australians show, we had Milo Cricket, Far Out Science at UNE, Biscuit Stall and Teddy Bear Hospital and this week we look forward to a Thalgarrah excursion, Hockey Clinic, Teddy Bear Picnic, Awards Assembly and Dance workshops. We are a busy school with an extraordinary range of extra-curricular learning for every class and child.

All these supplementary learning experiences also means lots of additional organisation work for teachers and extra responsibility for our students to keep up with returning permission notes to participate.

Please help us to make the activities as easy to organise as possible by returning notes and payments on or before the due date.

Sun Safety

Our motto says it all – 'No hat, No play'.

Please ensure your child has a hat with them every day at school so they can enjoy physical activity in the playground at break times.

Swim School

Every child should have taken home a Swim School note last week. Permission notes should be returned as soon as possible. It is expected that every child will attend.

If you wish to start paying instalments the school is happy to

accept part payments/instalments up until the start of the Swim School. Please enquire at the office to arrange such payment or, if necessary, contact me directly if you have any concerns.

Only students who have paid in full will be able to participate.

Star Awards

"You're a Star Award" certificates were presented at this morning's assembly to successful students who had been using the *You Can Do It* keys to success and demonstrating persistence, resilience, organisation, getting along and confidence.

Congratulations to our recipients: Jadea, Lindon, Reese, Jillari, Kytanna, Mitchell, Sophie, Neville, Jessica and Wayne.

Murray Cox
Principal

P and C Notices

The next meeting is Tuesday 8th November at 2:00pm. We will be discussing the fete preparations and would appreciate your ideas and feedback.

All are welcome to attend and we look forward to new parents joining this group.

CHRISTMAS HAMPER

Donations are now being accepted for the Christmas Hamper. Please bring/send non-perishable items in to the school office. Thanks you for your support.

KINDER NEWS

Yesterday the teddy bear doctors came to the classroom and gave us stickers. They checked our teddy bears and some had broken arms. Some had broken legs. I had on my teddy bear a band aide. My teddy had one band aide. Some had medicine.

By Rumbek

Yesterday the doctors came to our classroom to fix the teddy bears. They put 9 bandages on the teddy. All the doctors fixed all the teddys. There were 4 doctors.

Quote of the week

**If we all did the things we are capable of
doing, we would literally astound ourselves.**

ABSENTEE NOTE

(To be returned to Classroom Teacher first day back after absence)

STUDENT'S NAME..... Class Date of Absence/s.....

Reason for Absence

.....
.....

Signature of Parent/Caregiver..... Date.....

DEADLY AUSTRALIANS

Last week the students enjoyed learning about snakes, lizards, turtles, jelly fish and how to be safe around them .

MILO CRICKET

On Friday 3/4N travelled on the Newling School bus to play cricket at Harris Park. The Newling Year 3/4N girls were known as the All Stars. They played two St Mary's teams. The first game was a gun game and the second game we won with the score being 127 to 90. There were about 6 schools playing. They had fun and we learnt new skills. Unfortunately we all had to leave early because it was starting to rain.

By Anita

The Year 4 boys played a good game against St Mary's Merrys. We all had fun playing Milo Cricket together. The score was 45 to 140, Newling won but it was a good game. At the end of the day it was Newling vs Newling and Year 3 was beating us at the beginning but at the end Year 4 checked the score and it was 86 to 185 so we beat them by 109.

By Tyler and Gage

Far Out Science

4/5/6 enjoyed the Far Out Science Day at the UNE last Friday which hosted many schools from the New England Region. The learning activities were not only fun but challenging.
