PSSA Sports Knockout Competitions

The Boys and Girls Basketball teams competed at the Sportsdome in Tamworth with varying success. They both had some very close matches and were unfortunately both knocked out of the competition by the end of the day.

Boys and Girls Soccer teams played on Thursday. The boys team scored an early goal and grew in confidence to take victory in a convincing win. The girls ran out two players short and put in a great effort to maintain their performance throughout the match.

Congratulations to all the students who give their best in each sport, showing confidence to have a go and compete as a team in these matches.

NAIDOC Week

Next week we will be recognising NAIDOC Week with a number of activities focused on the theme for 2017- 'Our Languages Matter'.

On Thursday 29th the P and C will host a 'Big Breakfast' and we invite our school community to join us for a delicious cooked breakfast.

After the breakfast we will have our NAIDOC Week Gathering at 9:30 in the hall.

Parents and friends will be treated to a performance from the Aboriginal Dance group from Duval HS and all of our students will showcase some of the learning they have been completing in class around languages.

We look forward to having many parents and friends join us on this day.

Star Awards

"You're a Star Award" certificates were presented at this morning's assembly to successful students who had

been using the *You Can Do It* keys to success and demonstrating persistence, resilience, organisation, getting along and confidence.

Congratulations to our recipients: Torrah, Jamarl, Edward and Jessica.

News from 4/5S

Over the past month, 4/5S and 5/6W have joined forces for Friday afternoon sport.

It's a great opportunity for students to play different games and learn new skills in a game or sport. Thanks Mrs Watts and 5/6W for helping us with new skills and rules of our games. 4/5S have enjoyed the experience and look forward to outperforming 5/6W more often in the future.

NEWS from 1/2M

The students in 1/2M have been doing some clever work during maths groups. How lucky we are to have three teachers in the classroom during maths time. This allows us to easily adjust our activities to suit the learning needs of the students.

Quote of the week

Great things are not done by impulse, but by a series of small things brought together.
